

2023 Apprentice Intake Schedule

Dear CAFSA Sponsoring Employers,

This notification intends to ensure all Sponsoring Employers know the 2023 intake schedule for new apprentices.

We encourage everyone to fully evaluate their candidates before enrolling them. Please take advantage of the State Trainee designation and ensure that the candidate you are sponsoring is interested in and capable of completing the program. We understand that apprentices leave the program for a variety of reasons. However, we have traditionally lost 25% of year-one students over the first semester.

We look forward to welcoming your new apprentices in 2023. The program continues to evolve, and we would be very interested in your participation and feedback.

Sincerely,

CAFSA Apprenticeship Team

All Apprentice Applications must be received two weeks before the scheduled entrance exam date.
